**AVATAR MEHER BABA**

**123rd BIRTHDAY INVITATION**

Be content with your lot, rich or poor, happy or miserable. Understand that God has designed it for your own good and be resigned to His Will.

You eternally were and always will be. You have had innumerable forms man, woman, beautiful, ugly, strong, weak, healthy, sickly, powerful, helpless and here you are again with another such form. Until you get spiritual freedom, you will be invested with many other forms. So why seek temporary relief which has in its wake more bindings?

Ask God not for money, fame, power, health or children, but seek His grace of love which would lead you to eternal bliss.
